

Remarks/Arguments

By this Amendment After Allowance, claim 7 have been revised to correct a minor typographical error. In particular, “a reference potential” has been changed to “the reference potential” in the penultimate line of claim 7. Note that antecedent basis for “reference potential” appears in line 5 of claim 7.

The scope of the claims has not been altered, and entry of this Amendment After Allowance is respectfully requested.

Respectfully submitted,

Volentine Francos & Whitt, PLLC
